

Important information:

- Excursions and outings are optional.
- A complete document including the price and a complete description of the excursions and outings will be available in February. Dates indicated in this document might change.
- Prices of the excursions and outings start at CA\$ 25.
- Excursions and outings take place during free time. Monitors will accompany the students.
- The spots are limited. We work on a first come, first served basis.
- Registration and payments are made online only.
- Some meals will be included. Transportation for the excursions is organized by the school. Some of the Québec City outings require that students have a public transit pass/ticket.
- Free optional activities will be offered on campus to the students that do not participate in the excursions or outings.
